240TH Engineer Group Weekly Newsletter

12-21 December 2005

Welcome to the 'Bayonet Forward', a weekly newsletter capturing a snapshot of the activities of the 240th Engineer Group during the various stages of Task Force Chamberlain. There will be pictures and pertinent information passed down to families and other related entities.

Mailing Addresses: Following are the two addresses for soldiers in the 'Group'. While at Camp Atterbury, the mailing address is:

(Soldier's Name/Rank)
HHC 240th Engineer Group
Camp Atterbury JMTTC
P.O. Box 5000
Edinburgh, IN 46124-5000

While in Afghanistan, the mailing address is :

(Soldier's Name/Rank)
HHC 240th Engineer Group
CTF Chamberlain
APO AE 09354

Loading and Packing

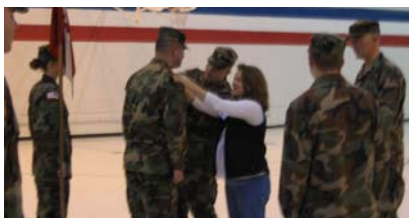

All soldiers worked very hard to pack personal and sectional equipment.

S-1 Equipment packed for shipment

Promotions and Awards

There have been several individuals that have been promoted during Annual Training. Various awards have been given ranging from the 240th Engineer Group Coin of Excellence to the Army Commendation Medal received by retired SGT Benjamin Wood.

SFC Smith Receives promotion to MSG

MAJ Corbett promoted to LTC

Family Day

Families attended briefings on Employer Relations, Finance, Tricare, Family Support Program, and Maintaining relationships. The children enjoyed activities ranging from games to decorating T-Shirts and pillow cases with their parent's picture printed on the

fabric. ID Cards and picture buttons were printed for family members.

Children enjoyed face-painting

Officers serve during noon meal

Common Task Training

Soldiers from units recently deployed, assisted the 'Group' in becoming familiarized with weapons and tasks that will be used while deployed.

Soldiers inspect for explosives.
